

Manufacturer's Certification Statement

This can be relied upon by a taxpayer for verification that certain Supreme Skylight, Inc. products are eligible for The Residential Clean Energy Tax Credit. The IRS requires the manufacturer be identified:

Supreme Skylight, Inc., 2185 Fifth Avenue, Ronkonkoma, NY 11779 as the manufacturer of Supreme Skylight, Inc. products covered by this certification.

Supreme Skylight, Inc. has determined the following products listed below are eligible as Residential Energy Efficient Property and qualify for the The Residential Clean Energy Credit allowed under Internal Revenue Code Section 25D. Supreme Skylight, Inc. Solar Electric Product Cost and Installation amount should be listed as Solar Electric Property Cost on the IRS form 5695. For all other FORM filing questions, please consult your tax advisor. The Residential Clean Energy Credits are available through December 31, 2034 in the US.*

Supreme Skylight, Inc. Pro Series or VCM with Solar Powered Motor and/or Solar Charged Blinds

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Vincenzo Torquato
Vice President, Supreme Skylight, Inc

The taxpayer is not required to attach this certification statement to their tax return. However, the taxpayer should retain this certification statement as part of their tax records.
